SHLS - IX	20W	77 Whrs.	Yes	4W DC Bulb	2	16	8	6
				2W DC Bulb	2			
SHLS - X	40W	230 Whrs.	Yes	4W DC Bulbs	4	16	8	6
				14W DC Fan	1			

Salient Features:

- Tilting mechanism for PV Panel mounting stand.
- The Photovoltaic Panel is held perpendicular to the sun rays by the tilting bracket provided & as such collects maximum solar radiation & optimally charges battery to full capacity within a short time.
- The Special LiFePo4 battery (Lithium Ferrous Phosphate Battery) has a minimum life span of 10 years compared to 1 year of SMF lead acid batteries being used presently in solar home lighting system.

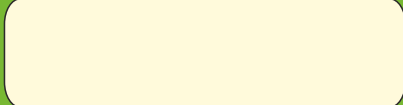

Infiniti Solar Home Lighting system will bring light and joy to rural households, enabling and empowering them to dramatically improve their quality of life, offering them independence from the unreliable grid connected power utilities and providing substantial fiscal savings to them and the Government.

Infiniti Solar Referral Program

We truly and firmly believe that our customer is our best brand ambassador and as such we have come out with an innovative scheme to reward the customer for promoting our brand with cash incentive. Details are provided on the Referral coupon given with each product.
